We have updated Coursedog for the summer to allow for a clear understanding of what buildings and rooms are available to them. **Helpful tip:** A feature you can use to find what rooms have pianos, keyboards or drum kits is to click on "Rooms" on the left side of the screen, click in the search bar, and type what you are looking for such as "piano".

Access to closed buildings will be reviewed on a case by case basis. Please send requests at least one business day in advance to summeraccess@cornish.edu including details as to why you need access and what date/time.

Parking:
Parking will remain the same process for the summer using Coursedog to book stalls up to 4pm. After 4pm you will need to have a free Night and Weekend pass, which you can get from the Cashiers office.

If you have any summer access questions please email summeraccess@cornish.edu.
